MISSION & VALUES

Our mission is to become a leader in the professional cleaning and maintenance industry and we will achieve this by surpassing our customers expectation as regards service delivery and value for money.

We are committed to customer satisfaction and therefore provide only highly trained staff who are led by a dedicated and competent management team.

Continuous quality improvement is key to our organization.

To this end, we constantly embrace new products, technology and processes which improve operations, increase service delivery and ultimately decrease costs to our customers.

We are committed to responsible cleaning practices and make it our policy to use only the safest and least hazardous cleaning materials possible.

We are a company with integrity.

OUR GOALS

100% Customer satisfaction through quality, superior service delivery and an implicit understanding of our customers, needs.

By creating and developing excellent working relationships with our customers at all levels, we blur the lines between customer and supplier.

Striving towards joint objectives allows us to learn and change with our customer and provide a service dynamic enough to cope with the demands of each organization.

EXPANSION PLANS

Shipshape Cleaners is in the process of expanding its business activities from that of a company providing only cleaning services, to one that sells and markets cleaning products.

In September of 2014, Shipshape signed a master dealership with Ceiling Professional International a company with their head office based in Minnesota, USA. The dealership involves Shipshape staff being trained in Minnesota on the usage of all cleaning products made by CPI.

Our plan is to distribute cleaning products in Nigeria, Ghana and Kenya as well as to secure local dealers in those countries.
